November 2013 CFP® Certification Examination Results

Dear Mr. Steven Gerrish,

CONGRATULATIONS! You have passed the November 15-16, 2013, CFP® Certification Examination. The national pass rate for the November 2013 CFP® Certification Examination is 63%.

A copy of your *Diagnostic Summary Report* may be downloaded within your secure CFP Board account. This report includes a graph of your performance, and the performance of the group of candidates that passed the exam.

If you have not already done so, the next steps toward completing the requirements for the CFP® certification are to report your Experience and Bachelor's degree completion. To report your Experience and Bachelor's degree, please follow the instructions detailed within your CFP Board account.

Passing the CFP® Certification Examination does not entitle you to use the CFP® marks. Only those individuals who have completed all of CFP Board's requirements are authorized to use the CFP® certification marks. CFP Board carefully monitors all usage of the marks to ensure their integrity, and unauthorized use of the marks is viewed as a serious matter.

Again, congratulations on your accomplishment in passing the CFP® Certification Examination, and please feel free to contact CFP Board if you have questions about the remaining requirements for attaining CFP® certification.

Sincerely,

Steven E. Barkley, CAE
